

Imagine that you are preparing a project with your friend. You have found some interesting material for the presentation and you want to read this text to your friend. You have 2 minutes to read the text silently, then be ready to read it out aloud. You will not have more than 2 minutes to read it.

Modern people pay more and more attention to the food they eat. Most people prefer to eat healthy food. So, there is a growing interest in organic fruits and vegetables. You must have seen certain fruits and vegetables in the supermarket being labeled as organic. Organic foods are those foods that are grown without the use of chemicals. Organic food is not mass produced that is why it is more expensive than ordinary food. There are a lot of reasons to choose to eat organic vegetables and fruits. First of all, it is good for you. Organic food is very healthy. Secondly, it's usually tastier than ordinary food. The last but not the least is that it is eco-friendly. When we grow or eat organic food, we do not do any harm to our planet. It is worth the price such food costs.
